Cutting and Working plates, Special products

Hygiene and safety are the most critical factors when it comes to processing of foodstuffs. Arcoplast Cutting and Working plates have been produced for professional use and for several years have proven to be successful in industry, trade and business.

Cutting plates - produced using high-quality food-safe polyethylene in all standard dimensions and designs, e.g. with:

- non-slip rubber feet
- juice groove
- indentation
- with impact strips

Cutting board made of high-quality polyethylene:

- For **GN-containers** - Size: 53 x 32,5 x 2 cm
- For **Euro-containers** - Size: 60 x 40 x 2 cm

Chopping board with mounting strips made of high-quality polyethylene:

- specially designed to match our ABS-plastic tray (Tray size: 42 x 28 x 7 cm)
- Size of chopping board: approx. 40 x 26 x 2 cm
- Total height including internal mounting strips: approx. 8 cm

We also manufacture and deliver:

- wall skirting board profiles
- edge protection units
- meat stomper
- knife holder
- Cutting-chopping boards
